Dear Sir. Your letter just rec'd and I hasten to thank you for your courtesy which I appreciate, although I am of course disappointed at the decision of the art committee -

However, if there is no space why that settles it of course. I presume you are overrun with applications of this kind and are probably obliged to depend entirely upon the reputation of the artist in making decisions, unless the picture itself is pleasing to your taste. I am sorry the time is so inopportune for I know you would be pleased

and are more allow me to thank you for your kind favor of inst.

Yours Resp'y
J. Jay Barber.

Will you let me know when there is a little space vacant? You probably know Carl C Brenner of Louisville - as you have one of his pictures - ask him what kind of cattle Barber paints.

with the picture if you could see it as would also the Committee. It was an exhibition here about two weeks and there never was a picture exhibited here which attracted so much attention or held such a crowd in front of it all the time during the entire time. I cant say what competent judges from Ney. and Boston (and other cities where they know) said of the cattle for you would say I was egotistical. but I will state this as a fact that I got two orders at big prices and one of the gentlemen had purchased one of Jno Hunt's prouty and ordered this for me because he said "they are the best Jersey cows I ever painted" and much more which I will not repeat but I would like to show you the letter he wrote on receipt of the picture.

Please excuse this long letter

Dr Sir

I have a favor to ask of you, and hope you will answer an enquirk, who wrote the card placed upon my picture of President Garfield, and why the Artists age should have been placed upon the card.? A very unusual thing you must admit. As I was born in Norwich Chenango Co' in 1822. I could scarcely be 73. And why any one should wish to give me credit for so many more years than is really my due I can scarcely imagine.

Enclosed please find a card

addressed to me upon which
I beg you will give the informa
tion asked, and oblige

Yours &c

I understand there was a letter
recieved by you with my age
indicated as 73. I do send the
letter to me, and oblige

Dear Sir!

In reply to your letter of 3rd inst in regards to the portrait of Vice Pres D D Tompkins I again take the liberty to ask you whether the said portrait is still in your possession as Mr D D T Gordan here assures me that he took the picture away from the Art Gallery & that the same was now in the Library Senate Chamber. I am very anxious to get at the truth about this picture & trust you will give me some positive information by return mail.

I am interested in this portrait
& would like to know what is going on
